This is to Certify that you have supplied us Weishaupt make gas burners model G1/1-E : 7 nos. and G3/ 1-E : 3 nos. Version ZMID for our direct fired Printing ovens and indirect fired PVC curing ovens. The burners are with a turn down ratio of 1:20 and are working efficiently. The burners are operating on natural gas supplied by M/S Mahanagar Gas Ltd.

We are satisfied with the execution of the job , which includes Installation and commissioning of burners along with gas trains and combustion analysis and setting of the burners as per combustion standards given by Weishaupt.

With best regards
